

As applicable to Neat Concepts product:
3/8" (9mm) Neatflex NAF

CERTIFICATE

CARB-09-03-24-04

In accordance with the provisions of Third Party Certification stipulated within the scope of the Final Regulations Order (FRO) of the Airborne Toxic Control Measure (ATCM) as initiated by the California Air Resources Board (CARB), it is hereby established that the product

**Fibreboard (MDI)
Type Exterior and Ecologique
in the thickness range of 3 mm to 12 mm**

manufactured by

**Medite Europe Ltd.
Redmondstown, Clonmel
Co. Tipperary - Ireland**

is produced with a **No Added Formaldehyde Based Resin** acc. to FRO, § 93120.3 (c) and that the manufacturer meets the requirements with view of Quality Assurance, as set forth in the FRO, Section 93120.12 Annex 2.

The approved Third Party Certifier (TPC) Entwicklungs- und Prüflabor Holztechnologie GmbH (EPH - TPC No W – 08 - 10) has performed the initial inspection of the manufacturing site and the company-internal production control (FPC) and made an evaluation of the FPC. The test of the product has been carried out by an accredited test laboratory. The results of the small scale tests carried out by the manufacturer correlate to the results of the secondary test method.

This evaluation is based on the monitoring and the test report:

Test Report No. 258268-4, dated March 24th, 2009

This Certificate was issued on March 24th, 2009 and is in force unless the requirements and conditions under which this Certificate has been issued will have changed considerably.

March, 24th 2009

Date

Dr. Bernd Devantier
Head of the Third Party Certifier
